I have read and agree to abide by all Gift Fair rules and procedures. I understand that space is limited and I will not encroach on to another vendor's space.

The fair is a two day event and all vendors are expected to participate BOTH days. Vendors should decorate their booth space in a festive manner keeping with the theme of "The Winter Holidays". A temporary sales tax license will be issued at the beginning of the show. The tax rate in Moab is 7.75%. Vendors are responsible for accounting for and reporting their own sales tax from the Fair to the Utah State Tax Commission.
