Sand Flats Recreation Area Entrance Station Improvement Project

MOAB, UT – Grand County is pleased to announce that Henderson Builders LLC has been awarded the Sand Flats Recreation Area Entrance Station Improvement Project Contract. This contract is for the construction of a new Entrance Station and improvements to the Entrance Station approaches at the Sand Flats Recreation Area. The new Entrance Station will replace the existing structure.

The project includes construction of 120 square foot Entrance Station building, 108 square feet of concrete walkway and 5 concrete filled steel bollards. The Sand Flats Entrance Station approaches consist of placement of approximately 175 lineal feet of concrete curb and the overlay of approximately 2,650 square feet of roadway and a handicap parking area with paint striping.

The Proposed Project Schedule is for construction to begin on June 22nd with a mandatory completion date of August 20th 2010 in time for Labor Day weekend.

Payment of the Sand Flats Recreation Area User Fee is still required during construction. Visitors must proceed one half mile further to the self-pay station at the Slickrock Bike Trailhead for maps and receipts of payment. A Sand Flats Ranger is on patrol seven days a week. If you would like to purchase a Sand Flats Annual Pass or speak with the staff call 435-259-2444. For more information visit our web site at www.grandcountyutah.net
