PRESENTER(S):	Chris Baird, Budget Officer

<p>Prepared By: Chris Baird</p>

MOTION:

I move to adopt the resolution allocating healthcare facilities sales and use tax revenues received during calendar year 2023.

BACKGROUND:

Per State Code, the County Commission is the body that determines the annual allocation of Rural Health Care tax funds to eligible entities within Grand County.

Utah Code Ann. §59-12-802(1)(b) states, "Subject to Subsection (3), the money collected from a tax under this section may be used to fund (ii) for a county of the fifth or sixth class:

- (A) rural emergency medical services in that county;
- (B) federally qualified health centers in that county;
- (C) freestanding urgent care centers in that county;
- (D) rural county health care facilities in that county;
- (E) rural health clinics in that county; or
- (F) a combination of Subsections (1)(b)(ii)(A) through (E)."; and

"The money collected from a tax imposed under Subsection (1) by a county of the fifth or sixth class may only be used to fund:

- (i) ongoing operating expenses of a center, clinic, or facility described in Subsection (1)(b)(ii) within that county;
- (ii) the acquisition of land for a center, clinic, or facility described in Subsection (1)(b)(ii) within that county;
- (iii) the design, construction, equipping, or furnishing of a center, clinic, or facility described in Subsection (1)(b)(ii) within that county; or
- (iv) rural emergency medical services within that county."

The Canyonlands Healthcare Special Service District has requested 57% of the Healthcare Tax.

EMS special Services District has requested 43% of the Healthcare tax and 50% of State PILT.

Canyonlands Healthcare Special Service District indicates that they will likely be able to make the Disproportionate Share Hospital match using their allocation of the sales tax.
