Call to Order

Chair Clapper called the meeting to order at 3:00 p.m.

Discussion Items

A. Discussion on current Memorandum of Understanding (MOU) between Grand County and Moab Valley Fire Protection District (MVFPD) and future fire protection outside the Fire District (Tom Shellenberger, Chair, MVFPD and Chief Brewer)

Discussion was had regarding various options for providing county-wide fire protection including the annexation of MVFPD, a special service district, or Grand County paying the MVFPD directly.

The Commissioners sent in a request for \$208,000 for the provision of County-wide fire protection for 2020.

MVFPD Commissioners and staff indicated that they have invested in equipment to serve the entire county but that in order to continue to respond outside of their district they would require a \$208,000 payment for services from Grand County.

It was noted that fire protection services outside of established fire protection districts within Grand County are the responsibility of Grand County.
