

Grand County Sheriff AED Registration

Utah Statute 26-8b-301 requires a person who owns or leases an Automatic External Defibrillator (AED) to report certain information including the location of, or removal of, the AED, to the emergency medical dispatch center that provides emergency dispatch services for that area, within 30 days of acquisition of the defibrillator.

The Grand County Sheriff Dispatch Center may disclose the exact location(s) of the closest AED if a medical need arises.
